They said, "You have a blue guitar-
----You do not play things as they are"
and I replied, "Things as they are
are changed upon the blue guitar."

STATEMENTS OF GREAT ARTISTS

SMOKING POT CAUSES APATHY!
BUT WHO CARES???

"If I get out of here and am ever successful in procuring my dreams --- you are all invited to come to my cotton candy stand - not Kevin's --- for the rest of your life at Revere Beach"..j.c.

After Graduation?
Why, I'll just keep on painting forever...
a new face...a new place
Now there'll be plenty of time.....
might try the west coast, then back to the east.....it all depends how energized I get from my yeast!!!!!!! B.

REVIEW BOARDS? CONSTRUCTIVE?
BAH, HumBUG!

"I'll be there in 5 minutes!"

MOPism is a disease shared by the instructors of the painting Dept.

"There have been three major influences on my painting this year: teachers, my change of ideas due to emotional stress ----- and VATICO.

I WANT TO BECOME A TEACHER SO I CAN DISCOURAGE TALENTED STUDENTS.....

I DON'T WANT TO DROWN AT REVIEW BOARDS!

"MAYBE YOU COULD GET IN THE DESIGN DEPT.

"I WANT TO THANK ALL THOSE WHO HELPED AND ENCOURAGED ME -- BOTH OF THEM"

Adieu, chers tableaux
que j'ai tant aimés et
qui m'ont tant couté.
